

# ALUMNI

Our current and past students are involved in so many adventures, careers, and missions around the world, and we are always excited to hear and share those stories. Below is information on how you can tell your stories. We hope you will!

Also, we wanted to take an opportunity to thank so many of you who have helped support the school in ways that grow opportunities for our students and make the school an even better place. On this letter, we recognize by class year the support our Alumni have given that totals over \$250,000.

Thanks for all that you do!

Sincerely,

**Joe Sosnowski,**  
*Director of Advancement*
