**#1 - OFF CAMPUS LUNCH PRIVILEGE**

The senior class is allowed to go off campus for lunch during their free period. All seniors must use the sign-in/sign-out book each time they leave and return to campus. Your permission to exercise this privilege acknowledges these conditions:

1. Your student who is off-campus is not in any sense supervised by Rockford Christian Schools staff members.
2. Rockford Christian Schools can assume no responsibility for a student while off-campus.
3. Students often carpool and ride with one another.
4. Attendance and tardy rules will be strictly applied.
5. This privilege can be revoked at administration's discretion.
6. This privilege may be used only once per day.

**To promote the safety of our students, and to spell out and reduce the risk of liability, Rockford Christian Schools strongly recommends that students ride only in their personal vehicle or with their own parent/guardian to and from the school grounds.**

**Rockford Christian Schools and its insurer cautions when a non-parent takes a student from the grounds of Rockford Christian Schools, that person (the non-parent of the student) is liable for any accident, harm, or injury to your child. Therefore, Rockford Christian Schools does not recommend students ride with other students during lunch, before or after school, and from school sponsored event(s).**
