Carpool Program

Dear Grade 3 Parents,

If you have a student in grade 3 with other children in PreK through grade 2, you may be interested in our "[Carpool Program](#)". This program will allow you to have one pick-up location after school.

Your younger student will stay with an assigned supervisor for a few extra minutes until grade 3 is finished at 3:00 p.m. They will then join their older sibling and will be escorted to the back parking lot by the grade 3 teachers. The teachers will accompany your students to your car.

If you carpool with another family with younger students, you may also take advantage of this pick-up routine.

To participate in the Carpool program, please fill out the bottom half of this letter and return to your child's teacher.
