

Scoop Out Cancer

Ice Cream Social

Tuesday
April 17
Forest Hills Country Club
5-8 pm

In February of 2017, our dear friend, Amy Beaver, was diagnosed with breast cancer. She has been fighting hard over this last year through multiple surgeries and treatments with the faith, strength, and courage that we all know so well. Many of you who have been touched by cancer understand the lengthy procedure of ongoing treatment and the immense financial burden it imposes on families. With more surgeries and treatments in this process to come, it is our desire to support Amy in every way on her journey to full healing. Amy's husband, Brad, serves our community through coaching, children's ministry, and parent support at Rockford Christian Schools. Their son, D'artagnon, is a ninth grader and attends RCS along with their daughter, Jor'ae, a sixth grader. Both children are very active in sports and the arts. Mrs. B is passionate about continuing to teach and coach our students through this time. This fundraiser is to help offset the high financial cost of treatment and surround the Beaver family with encouragement. Please help us be the hands and feet of Jesus to this precious family.
