## Accreditation

Rockford Christian Schools is fully accredited by the Association of Christian Schools International (ACSI), the North Central Association (NCA) and is certified by the State of Illinois.

One of the advantages of being an ACSI school is the opportunity to participate in a number of exciting competitive events such as Spelling Bee (grades 1-5, usually in January each year), Speech Meet (grades 1-5, usually in March each year), and Math Olympics (grades 3-5, usually in April each year).

## Admission

### Policy

- RCS shall not discriminate in its admission policy either directly or indirectly on the basis of national or ethnic origin, race, sex, creed or religion. Because of the tremendous positive impact Rockford Christian has on students, many parents wish to enroll their children even though they do not fully support our spiritual commitment. This philosophical difference creates a dilemma for some families because the Lordship of Christ and God's Word is woven into every aspect of the educational experience. A decision to apply for admission indicates a desire to be challenged spiritually as well as intellectually.

### Procedure

- Completed Application and application/testing fee received.
- Student successfully completes admission requirements and/or testing/evaluation for placement.
  - 1) Pre-Kindergarten/Junior Kindergarten:** Admission to the Rockford Christian Early Childhood program is based on age [applicant must be at least three years old by September 1<sup>st</sup> to enter the pre-kindergarten program, and at least four years old by September 1<sup>st</sup> to enter the junior kindergarten program] and social readiness. Applicant must be toilet trained before entering pre-kindergarten.
  - 2) Kindergarten:** Through participation in a series of age-appropriate activities, each student's academic and developmental readiness is examined. The evaluation takes approximately 30 minutes and is administered by a qualified testing professional. Current RCS junior kindergarten students are given priority, with new applicant screening beginning in March. Applicant must be five years old by September 1<sup>st</sup> to enter the Kindergarten program.
  - 3) Grade 1:** Grade 1 applicants are screened through a variety of age-appropriate activities and tests. The primary concern in accepting applicants to first grade is that the student is both developmentally and academically ready to handle the expectations of the grade one program at Rockford Christian Schools. The testing/evaluation procedure will last approximately 90 minutes and will be administered by a qualified testing professional at RCS.
  - 4) Grades 2 through 5:** Applicants for grades 2 – 5 will be given a series of academic tests appropriate for the age and grade level of the student. The results of these tests must be at grade level or above for admission to Rockford Christian Schools. Admission to the school will not be determined until all admission requirements are met.
- Transcripts/records from prior school received.

- 1) A release of information form (included on new student application) must be signed by the parent or guardian in order to acquire records from any previous educational institution. In the event that records from the previous school are not available because of an outstanding balance, admission may be denied.
  - 2) If an incoming student has an IEP, a copy must be attached to the application.
  - 3) Teacher recommendation form from prior teacher received (grades 1-5).
- Director of Admissions or their designee will personally talk with all prospective students and their parent(s). Significant parental involvement and moral support is expected.
  - Birth Certificate and current photograph must accompany each student's application.
  - Current physical from an Illinois physician and immunization records, including emergency medical information must accompany each student's application.
  - As room permits: Priority consideration is given to applicants of current families, alumni of the school, and on a first-come-first-served basis.
  - Mid-year transfer students: Testing must be completed prior to admission. Parent/student must meet with administrative team prior to admittance.

## Athletics

The RCS Elementary athletic program provides opportunities for students who desire to compete at an intramural and interscholastic level. In addition, it provides students an opportunity to work together as a team in order to accomplish the goal of performing well in a given game. The coach will determine the amount of time a student plays in each game.

- Rockford Christian School athletic program includes the following:

### 1-3

Flag Football (1-3)	\$75 (plus helmet)
Basketball (K-3)	\$75
Cheerleading (K-3)	\$75

### 4-5

Flag Football (4-5)	\$75 (plus helmet)
Co-Ed Soccer (4-5)	\$75
Girls Volleyball (5)	\$75
Basketball (4-5)	\$100

- Competition is held within established leagues and with some teams from the public and private schools in the Rockford community. Games are also scheduled with Christian schools from other communities.
- Each student who participates in a sport for its entire duration will receive recognition for participation.
- Junior Lions: The Junior Lion League is an Elementary School (K-3) intramural basketball and cheerleading RCS-only athletic opportunity.

**Insurance:**

- The school cannot assume any responsibility in the event of a student sustaining an injury. Therefore, the student should have adequate insurance coverage.

**Participation fees:**

- A non-refundable participation fee will be assessed to each student for each sport in which they participate. The fee must be paid before participation in the first game of the season is allowed. It should be turned into the office, not given to the coach. These fees do not pay for the entire program but help defray the expenses of the sport.
- Late registrations will be allowed if there is room but will be assessed an additional \$25.00 fee.

**Physical Requirements:**

- A student must submit a completed and signed athletic physical exam form from an Illinois physician and their Athletic Emergency Form before participating in practices or games. Physicals are valid for 12 months from the date of the exam. If the physical expires during the season, a new physical must be completed in order to continue participating.

**Attendance Requirements**

- A student must be in attendance the entire school day in order to participate in a game scheduled for that day. If a student is absent for part or all of the day for extenuating circumstances, the student may be allowed to participate in the game with the permission of the principal. Any unexcused absence from school will cause the student to be unable to participate in the game.

**Academic Eligibility:**

- Each athlete must maintain a "C-" (78%) average in all classes. Any grade falling below a "C-" average will cause a student to be placed on academic probation. The student has one week to get off probation, or they will be declared ineligible until they do so. Grades in all classes will count.
- Grades will be evaluated on a weekly basis. Should a student be placed on probation, the period of probation will begin the Monday after the evaluation was made and last through the next Saturday. Should a student be declared ineligible for two weeks on three occasions during one season, the student will be dropped from the team.
- Ineligible students should be spending their time correcting the situation that made them ineligible. Therefore, ineligible students will not be practicing with the team or playing in any games during the period of ineligibility.

**Citizenship:**

- Each athlete is expected to behave in such a way that is in accordance with principles set forth in God's Word. Therefore, a student's citizenship [school behavior, attitude toward peers and adults, cooperation] will also be evaluated. Should an athlete's citizenship be found to be unsatisfactory by members of the staff & administration team, the athlete will be ineligible and will be subject to the same guidelines of academic ineligibility.
- Each athlete who is disciplined for isolated or repeated acts of misbehavior is subject to immediate ineligibility, the duration of which is to be determined by the assistant principal/AD.

**Sportsmanship:**

- Each student must show good sportsmanship both on and off the playing field.

## **Uniforms:**

- RCS will furnish uniforms for soccer and volleyball. Each athlete is responsible for proper care of the uniform as well as the equipment belonging to the school. Uniforms should be kept clean and have a neat appearance for each game. At the end of the season, the uniform should be washed, neatly folded, and returned to the coach in the same condition it was issued. The athlete will be fined for any damage beyond normal wear. If the uniform is lost, the athlete is responsible for the purchase of a new uniform at the current replacement cost. The flag football and basketball teams will provide T-shirts/jerseys that players may keep.

## **Opportunities:**

- The athletic program at RCS provides opportunities for students to participate as well as opportunities for parents and grandparents as gatekeepers, scoreboard operators, tickets, concessions and coaching. Persons interested in helping may contact the school office in advance. All coaches must complete the concussion/first aid education training.

# **Attendance**

The school will comply with the laws of the State of Illinois regarding attendance and absences.

## **Absences**

### **Procedure**

- When a student is absent from school, a phone call from the parent/guardian must be made by the parent on the morning of the absence indicating the length of time and the reason for the student's absence.
- Parent or guardian must contact the teacher(s) to make arrangements for missed assignments.
- In the case of an unexcused absence, the teacher has no obligation to accept the make-up work.

### **Excused Absences**

- Each child enrolled at RCS should make every effort to be in regular school attendance. The Illinois school code only allows sickness and death in the immediate family to be considered as an excused absence. It is in the best interest of the child that he/she attend school each day in order to keep abreast of the work being presented in the classroom.
- Absences for other reasons or absences with no call-in are unexcused absences.

### **Unexcused Absences**

- Excessive absenteeism is detrimental to a student's progress in school; unexcused absences will be subject to the discipline code.
- If a student has more than five unexcused absences in one semester, the following actions will occur

After 6 absences: Administrator may send a letter to parent/guardian outlining attendance policy.

After 8 absences: Administrator may contact parent/guardian by telephone.

After 10 absences: Administrator may meet with parent/guardian to review attendance policy.

After 12 absences: Case may be referred to Education Committee for consideration of attendance contract and/or consequences.

## **Vacations**

- In the event that it is necessary for a student to miss school because of a family trip, written notice should be directed to the office and classroom teacher indicating the dates the student will miss at least one week in advance.
- Admittedly, family vacations have the potential for building great memories in the lives of both parents and children; additionally, there is tremendous educational value for students on vacation. However, it is strongly recommended that no vacations be scheduled that cause a student to miss a large amount of time from school.
- In the event that a student must miss school due to a family trip, the teacher will use his or her discretion regarding the issuing of homework prior to the trip. Parents must request homework in writing one week prior to vacation. Any homework given prior to the vacation must be completed and turned in the day the student returns; otherwise no credit will be given for assigned work. Further, if it is decided that no homework be given prior, then all work should be completed within one week after the student returns to school. It must be recognized that a student missing school for any reason is detrimental to his/her progress in school; hence, absences should be minimal.
- In the event that a student must miss school due to a family trip, the administration will use discretion with regards to unexcused absences procedures.

## **Early Dismissal**

- If a student needs to leave early for any reason, such as a doctor's appointment, the parent or guardian must come to the office to have the student paged and to sign the student out in the early dismissal log.
- A student must attend school for a total of 2 ½ hours to be counted present for any portion of the school day.

## **Tardy Policy**

Every effort should be made for students to be on time for school each day and for each class. We recognize that all students are transported to RCS by car. We also recognize that there are punctuality difficulties created by car problems and inclement weather which will cause a student to be late for school in the morning.

### **Problems created by tardiness**

- Interruption to the class
- Creates low self-esteem for student walking in late
- Child has missed the important beginning-of-the-day activities
- Child has missed the directions/instruction given prior to arrival
- Wastes teacher/student time while the tardy student is brought to level with class

### **Procedure to Follow**

In order to have a timely beginning to school each day, the following Board Approved Tardy Policy will be applied:

- RCS students are expected to be in their classroom on time every school day.

- If the student arrives late but *before* 8:15 a.m. (grades K-2, 4-5) or 8:30 (grade 3), he or she should report directly to the classroom where the teacher will record the time of arrival and the reason the student is tardy.
- If the student arrives *after* 8:15AM (grades K-2, 4-5) or 8:30 (grade 3) the student must report to the office to secure a pass to be admitted to class.

### **Consequences**

- Each student will be allowed four (4) tardies per quarter
- After 5 tardies: Administrator may send letter to parent/guardian outlining tardy policy.
- After 8 tardies: Administrator may contact parent/guardian by telephone.
- After 10 tardies: Administrator may meet with parent/guardian to review tardy policy.
- After 12 tardies: Case may be referred to the Executive Committee for consideration of tardy contract and/or consequences.

## **Bicycle / Skating Safety**

- There is no bike rack at school.
- Rollerblading/skating/skateboarding/shoes with wheels are prohibited on school grounds.

## **Birthdays**

### **Birthday Policy**

Birthdays are important and children like to celebrate with their classmates. At Rockford Christian Schools we want to celebrate your child's special day without too much disruption to our important work of learning.

We would like to encourage you to let your child participate in our Birthday Book or Learning Game program. Here is how it works: your child treats his or her class to a new book for the library or activity for the classroom teacher's learning centers. At a designated time, the birthday girl or boy opens the book or game and the class has an opportunity to enjoy it. A name plate with your child's name will be mounted inside the cover of the book or on a prominent place on the game. This becomes a very special present that will long outlast a sugary treat that is gobbled up in minutes!

Parents wishing to provide a birthday snack may bring in a snack to celebrate their child's special day. Snacks that are provided for the entire class must be individually portioned and wrapped to make distribution quick and to minimize mess.

Remember, sending a treat, book or game is strictly optional.

Parents **MUST** communicate with the classroom teacher in advance of birthday celebrations. This allows for teachers to plan and advise parents of any allergies.

### **In School Celebrations**

- Please clear the date with your child's teacher by communicating in advance.

- If flowers, balloons\*\* or any other gift is delivered to school for a child's birthday or for any other reason, it will be kept in the school office until after school. No gifts will be delivered to the child's classroom.

**\*\*Special Note: Due to the possibility of severe allergic reactions for some students, no latex balloons are allowed inside the school building.**

## **Out of School Celebrations**

- If a child has a birthday party and wishes to invite school friends, invitations must be sent in the mail. Invitations cannot be distributed in class, put in backpacks or distributed before or after school on school grounds.

## **Board of Directors**

RCS is an independent, private school governed by a board of directors. Up to 15 members are on the board at any one time with alternating terms of service. Individual committees are tailored each year according to current needs. Contact the superintendent or current president of the board for information regarding its constitution and bylaws.

## **Calendar**

A general calendar listing the days school is and is not in session is sent in the summer mailing to all registered families. A calendar of events and activities is constantly updated throughout the school year and can also be found on our school website.

If RCS must be closed because of weather and/or other reason, the days may be made up at the end of the school year in May/June. Advance notice will be given to each family.

## **Clubs**

Special after-school clubs (ie...chess, cooking, bowling and Young Rembrandts) selections vary from year to year, depending on student interest level and the availability of parent leadership/sponsorship.

Depending on space availability, RCS allows certain outside organizations to meet on school property, such as Brownies or Cub Scouts. The Education Committee must approve these clubs.

All clubs must meet Monday-Friday between 3:00 and 5:00. Because First Covenant Church shares our gym facility, clubs will not be allowed to use the school facility on evenings or weekends.

## **Co – Curricular Activities**

RCS (grades K-3) requires co-curricular subjects to provide a balanced and complete education. Subjects include art, technology and science lab, general music, physical education, Latin (2-3), Chinese, Spanish, library, and all star math.

Rockford Christian (grades 4 & 5) requires art, music, physical education, technology/STEM, Latin, Spanish, Chinese, Communications as well as other elective choices per semester. Elective classes may vary from year to year and may include art, band, music, drama, leadership, math and additional STEM/technology courses.

Opportunities for performances in band, drama and music will be appropriately scheduled during the year. Students who choose to participate in band are making a commitment for the year.

## Physical Education

- Physical education is provided for each student during the school day. Students will have PE outdoors or indoors, depending upon the weather and the teacher's discretion. Physical education is important for the development of good physical and mental health. A PE curriculum has been developed for each grade level and is implemented by certified teachers. All activities are planned with the children's safety in mind.
- Every student is required to participate during PE. A student may be excused for not more than 2 PE classes per quarter with a note from a parent. This may be done in cases of minor injury and/or sickness from which the student is recovering. No student will be excused more than two days unless there is a note from a physician.
- **STUDENTS ARE REQUIRED TO HAVE A PAIR OF GYM SHOES THAT ARE USED SPECIFICALLY FOR GYM CLASS.** They must be kept at school. Any student who does not have the necessary equipment for PE class will not be allowed to participate, and their non-participation will be reflected in their grade. The PE teacher in charge of the class will determine necessary equipment.

## Technology

### Classrooms

- Technology is integrated throughout curriculum in all subject matters. Educational software is used for curriculum enrichment.

### Internet

- Rockford Christian Schools believes the internet offers valuable, diverse and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence in school by facilitating resource sharing, innovation and communication.
- The school uses an internet filtering system.

### Acceptable Use

- The purpose of using the internet in our school is to support research and education by providing access to unique resources and the opportunity for collaborative work. The use of the computer must be in support of education and research and consistent with the educational objectives of Rockford Christian School.
- The use of the computer is a privilege, not a right; inappropriate use will result in a cancellation of those privileges.

## Communication

It is essential that we maintain excellent communication. Written communications are used and recommended for both staff and parents.

## Weekly Newsletter

- Every Monday (or as needed) your child will bring home a newsletter with important upcoming information.
- The weekly newsletter will also be updated on our website, [www.rockfordchristian.org](http://www.rockfordchristian.org), **each** Monday. Please check this for important dates and information that you will need. Make it a habit to check the website weekly for updates.

## Teacher Newsletters

Pre-Kindergarten and half-day Junior Kindergarten send home monthly newsletters regarding classroom activities and upcoming events. All day Junior Kindergarten through grade 3 provide weekly newsletters. Grades 4 and 5 newsletters are posted in RenWeb.

## Teacher E-Mail

All RCS staff have e-mail addresses through Rockford Christian. Parents are encouraged to communicate with teachers and staff members through e-mail. [firstname.lastname@rockfordchristian.org](mailto:firstname.lastname@rockfordchristian.org)

## RenWeb

Newsletters, calendar events, lunch menu, homework, grades and test dates will be posted in RenWeb, Instructions for accessing RenWeb are available in the main office.

## Telephone Message/Usage

- Administrative support staff is in the building from 7:30 to 4:00. It will be greatly appreciated if parents will leave messages for teachers during this time.
- Teachers and students will not be called to the telephone during school hours except in case of extreme emergency. Staff members will be notified of your calls and will return such calls at their first opportunity.
- Messages for students will not be delivered during the school day to the classroom except in an emergency. This is necessary in order to avoid undue interruptions to the classrooms. However, students will be notified of messages at the end of the school day.
- If necessary, students may use the phone in the office with a phone pass issued by the teacher.
- Cell phones use: Cell phones are not to be used during school or extended care hours without permission.

## Community Outreach

- In keeping with our mission statement, Rockford Christian Schools will provide various ministry opportunities in the community for students and families throughout the year.
- Students will have the opportunity to participate throughout the community in service to local ministries such as area nursing homes and Kids Around the World. All students are strongly encouraged to participate.

## Conferences

### Purpose

- The purpose of the parent-teacher conference is to discuss specific progress and/or problems that the student may be having in school.
- It is neither professional nor ethical to discuss the progress and/or problems of another child during the conference, in order to protect the privacy and rights of all students.
- Problems related to another child should be shared with the teacher but will not be discussed in detail.

## Conferences

- Twice a year there will be parent-teacher conferences for the parent of each child enrolled at RCS.
- Administration will determine this schedule. The convenience of the parent will be considered when arranging these times.

## Special Parent/Teacher Conferences

- Any other conference with a student's teacher **MUST BE MADE BY APPOINTMENT ONLY**. This includes picking up assignments, school materials, concern about behavior, academic progress, etc.
- When there is a disagreement on the part of the parent relative to a teacher's treatment of a student, the parent involved should talk with the teacher involved before any discussion takes place with another parent, teacher, administrator and/or board member. [Matthew 18:15-18]
- These special conferences may be requested by the parent or by the teacher.

## Conferences with a Principal

- It is the policy of the principal to act in a manner that is professionally respectful to his/her staff. At the same time, he/she holds them responsible for behaving in a manner that serves the spiritual and academic goals of each child.
- If the parent is concerned about the child's spiritual and/or academic progress, it is suggested that a parent/teacher conference be scheduled.
- In the event that the parents are dissatisfied with the response of the classroom teacher, it may be helpful to ask to meet with the teacher and the principal. If that is the case, your child's regular classroom teacher can arrange for such a conference.
- If there is need for a conference with the principal, a call should be made to the office in advance to schedule an appointment.

## Directories

A directory of RCS families is available in RenWeb. The directory is not to be used for solicitations or mailings of any kind.

## Discipline

Our discipline system is relationship driven with the goal being alignment with the expectations of personal responsibility. It is the desire of each staff member to make every child responsible for his or her learning and behavior. Students will be expected to **respect others**, **respect property** and **preserve the learning environment** which will ensure a healthy environment for all children that attend our school.

- Discipline always begins with building a positive relationship with each child. Therefore, the child knows he or she is loved and respected as an individual.
- Discipline should be handled at the classroom level whenever possible.
- The teacher should counsel with each student regarding inappropriate conduct.

- If the student does not respond to the efforts of the classroom teacher, the administrator will counsel with the student.
- It may be that the teacher and/or administrator will request a conference with the parent(s) to seek their help in dealing with the student's misbehavior.
- Egregious misbehavior will be handled promptly and appropriately by administration in order to bring the student back into alignment with the RCS discipline standard.

Here are some behaviors that are not in alignment with the RCS discipline standard:

Disrespect to others

Disrupting the classroom environment

Fighting or violent behavior

Bullying (including cyber bullying)

Vandalism

Profanity

**Please note that infractions considered inappropriate are not limited to this list.**

The following incentives are used to compliment the discipline system.

### **Paw Points (K-3)**

Each classroom or extended care group may earn Paw Points as a reward for good behavior or outstanding academics. Paw Points will be collected and kept by the teacher. Classroom rewards may include a variety of activities at different levels of achievement such as no-uniform days or popcorn parties.

### **Choice Clips (4-5)**

Students may earn a choice clip as a reward for making a good choice. Each student is responsible for his/her own clips. Good choices may be recognized by the child's teacher and administration. At the conclusion of each quarter, students will use their choice clips to purchase privileges such as a no homework pass, a no uniform day, or a choose-your-seat coupon.

### **Cheating**

Cheating occurs whenever a student copies another student's work, allows his/her own work to be copied, does another student's work for him or her, or turns in work knowing it is not their own work. At Rockford Christian Schools, cheating is viewed as a serious offense. In addition to automatic loss of credit on the test or assignment in question, a student caught cheating may be subject to disciplinary action.

### **Suspension**

The administration has at all times the authority to suspend a student. The length of suspension will be 1-5 days as determined by the administrator.

### **Probation**

Probation will take place after the staff has reviewed the student's behavior, attitude, and/or academic performance. The student will be placed on probation for the following semester. If at the end of the probationary period

there is no significant improvement, as viewed by the staff involved, recommendation for expulsion will be given to the Board of Directors.

### **Expulsion**

A student may be expelled from school for a serious breach of conduct, and/or repeated problems with behavior or academic performance.

### **Harassment Policy**

In keeping with our mission statement to love others sacrificially, anything contrary or incompatible with that goal will not be permitted. Harassment of any type – verbal, physical, sexual is diametrically opposed to the mission of Rockford Christian Schools and will not be tolerated. A student who feels that he or she has been subjected to harassment should notify a staff member. The matter must also be reported to the principal, and an investigation will take place. In the case of a substantiated incident of harassment, the appropriate course of disciplinary action will be dictated by the particular circumstances of the situation.

## **Dress Code**

Rockford Christian Schools' dress and appearance code aims to assist in providing an atmosphere conducive to concentration and learning. We desire clothing and appearance to be neat, clean and modest without extremes. We recognize that scripture does not prescribe proper dress; however, it does give guidelines regarding modesty, appearance and conduct.

Students enrolled at Rockford Christian Schools are expected to wear the correct clothes in good repair to school each day. They are to remain in these clothes throughout the day until departing the school grounds. Students are to be in uniform for school field trips and when representing the school in an official manner [e.g. sports contests, music competition], unless otherwise directed by a school official. Administration makes the final decision regarding issues of clothing and appearance. Please support the school with your cooperation.

### **Dress Code and Appearance Expectations**

Pants must not be worn oversized or too low, but be of proper fit and at a reasonable waist height. They must not be worn tight fitting or of hip hugger or low rise styles.

## Emergencies

### Student Information

The school will do everything possible to insure the safety of your child. We urge you to make the necessary arrangements now to meet these emergencies that may occur later. Be sure that your child is familiar with the arrangements.

It is absolutely essential that we have an emergency “card” on file for every student at RCS. It must have the name and phone number of at least one adult other than the parent in case we cannot locate the parent in the event of an emergency. These cards are updated yearly.

**Parents are encouraged to view an instructive video on “Hands-Only CPR” at the following website:**  
[http://www.heart.org/HEARTORG/CPRAndECC/HandsOnlyCPR/Hands-Only-CPR\\_UCM\\_440559\\_SubHomePage.jsp](http://www.heart.org/HEARTORG/CPRAndECC/HandsOnlyCPR/Hands-Only-CPR_UCM_440559_SubHomePage.jsp)

## School Closing

- In the event of bad weather, please check the local television and radio stations to see if RCS is closed. You can also check on the school website [www.rockfordchristian.org](http://www.rockfordchristian.org). **Please do not assume** that because Rockford District 205 is closed that RCS is also closed.
- In the event weather or other conditions force the closing of school after school is in session, the school will call the parent and/or person designated on the emergency card indicating that school will be closing early. Announcements will also be made on local radio stations.

## Extended Care

- A program of supervision is provided for students in PK through grade 5 needing before and/or after school care.
- Any student arriving to school between 7:00 a.m. and 7:45 a.m. must report to the extended care room.

- Any student waiting for an event or practice that starts after 3:00 p.m. [sports or practice] must report to extended care.
- The cost of this program will be determined by the board each year and announced to the parents in August prior to the start of school. The family will be billed once a month for this program.
- The RCS Extended Care emergency form must be filled out prior to using the program.
- Student behavior expectations are the same as during the school day.

## Field Trips

- All field trips are direct extensions of the classroom and must have educational value.
- Field trips will be planned by the teachers and approved by the administration. All teachers should be notified of students attending field trips a week in advance.
- The teacher will determine the number of chaperones/supervisors attending each field trip.
- Siblings [not in applicable grades] will not be permitted to attend the field trip.
- Permission slips must be signed and returned to school before the field trip commences.
- Any student not having monies along with a signed and returned permission slip the day prior will not be permitted to go on the field trip.

- For each field trip, parents will be required to sign a transportation agreement that will certify they meet required criteria to be a qualified driver. A copy of your driver's license and a copy of a current insurance card must be on file in the office before driving on any field trip.
- Seat belts are required for all passengers, and they must be fastened. Students 12 years of age and younger are not allowed to sit in the front seat of a vehicle with passenger side airbags unless air bags are turned off.
- Unless otherwise stated, uniforms must be worn on all field trips.
- When transported in a passenger vehicle, a booster or car seat must be provided for children less than 8 years of age, regardless of weight. – According to Illinois state law it is the parent's responsibility to provide these seats. For further information on this law, please see the following website: <http://www.cyberdriveillinois.com/departments/drivers/programs/kiss.html>
- Transportation for any field trip deemed so by RCS administration and teachers may be provided with public transportation. The cost will be evenly divided among those attending.

## Grading System/Report Cards

RenWeb is a web based homework and grading system used by RCS. Its purpose is to help enhance parental knowledge of their child's current homework assignments and grades. Report cards will be sent home with students following each quarter. Progress / deficiency reports will be issued during the middle of each grading period. Grades PK-3 report cards **must be signed by the parent and returned.**

In order that we may standardize our grading procedure, the following systems will be used:

### Kindergarten and First Grading Scale

Rockford Christian School employs registered nurses, on-site from 8 a.m. to 3 p.m., who are responsible for maintaining all health records. The school nurse works cooperatively with parents, physicians, and all school personnel to maintain and improve the health of all students.

- **Appropriate Vision and Hearing screenings are performed annually as mandated by the State of Illinois. Vision screening** is provided for all students in **Pre-K, Kindergarten**, (who have not submitted an eye exam), **2<sup>nd</sup> grade, new students, and all students with an ISP**. **Hearing Screening** is provided for all students in **Pre-K, Kindergarten, 1st, 2nd, and 3rd grade, as well as new students and students with an ISP**. According to the State of Illinois School Code (section 27-8.1): **“Vision screening is not a substitute for a complete eye and vision screening by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months. Vision screening is NOT an option. If a vision examination report is not on file at the school for your child, your child in the mandated age/grade/group will be screened.**
- **Students enrolling in school for the first time must present proof of an eye examination by a licensed optometrist or physician licensed to practice medicine in all its branches and does eye examinations as defined by the law within the previous year before October 15<sup>th</sup> of the school year.**
- **Illness:** when a child is ill, or has been ill during the night, they must remain at home. Students who have had symptoms of a fever of 100° or more and/or had diarrhea or vomiting, ***must remain at home until they are symptom free for 24 hours.*** This will allow the child to feel well and therefore be productive in the classroom. This procedure also protects other students from being exposed to illness.
- If a student becomes ill at school, the nurse will call a parent to determine what will be done. ***When the child has a fever and/or vomits at school, the school nurse will contact a parent to arrange for their child to be picked up.***
- When a student is suspected to have a communicable health problem, such as pink eye, strep throat, chicken pox, etc. the nurse will notify the parents to have their child checked by a physician prior to returning to school. The results of the doctor’s diagnosis must be reported to the school nurse.
- **Injuries:** in the event that a student is injured at school we will do the following: administer first aide to the best of our ability and phone a parent regarding the condition of their child and alert them as to what further medical attention needs to be done.
- **Medications:** Per the State of Illinois, parents are required to work out their child's medication around the school schedule to the best of their ability. The administration of medication to students during regular school hours and during school-related activities should be discouraged unless absolutely necessary for the critical health and well-being of the student. Medications should be limited to those required during school hours which are necessary to maintain the student in school and those needed in the event of an emergency.

- Medications will be dispensed at school under the following guidelines:

All medication(s) that are to be taken by a student at RCS must be dispensed through the nurse’s office.

- **Parents of students with religious objections must submit a new, signed letter of objection (each year a school physical is required) that meets all state requirements by October 15<sup>th</sup> and sign the exclusion letter explaining that unimmunized students will be excluded from school in the event of an outbreak as directed by the Winnebago County Health Department.**

Parents must present proof of the examination prior to May 15<sup>th</sup> of the current school year. The dental exam must have been completed within the 18 months prior to the May 15<sup>th</sup> deadline.
- Rockford Christian School has instituted a standing protocol for the use of undesignated epinephrine auto-injectors. Any RCS student exhibiting signs/symptoms of anaphylaxis may be administered epinephrine by the school nurse or trained personnel. Parents have the right to refuse this emergency medication by submitting their refusal in writing to Rockford Christian School.

Parents have the right to refuse this emergency medication by submitting their refusal in writing to Rockford Christian School.
- Parents of students with asthma need to provide the school nurse with an Asthma Action Plan completed by the child's physician.

## Homework

Homework refers to an assignment to be completed during a period of supervised student activity in class, outside of class, guided studies, or at home.

- Clearly communicated homework is an integral part of the instructional process. Challenging homework assignments help students learn. Homework reinforces, enriches, and enhances instruction. It also causes students to work independently and to become more responsible for their own achievements.
- Homework assignments will review, reinforce, or extend classroom learning by providing practice and application of knowledge gained; teach students responsibility and organizational skills; promote wise and orderly use of time; and provide opportunities for enrichment activities.
- Teachers and principals will develop strategies of instruction to include homework appropriate for the students and their educational needs. The strategies will consider assignments of other instruction to include homework appropriate for the students and their educational needs. The strategies will consider assignments of other teachers, individual differences in students and other factors that may affect the home as an extension of the classroom.

## Lost and Found

- Lunch boxes and all clothing articles should be labeled with your child's name. Many items are placed in the lost and found bins each week. The lost and found bins are located by the kitchen exit doors. If items are labeled, every effort will be made to return them to the owner.

## Lunch Program

- Rockford Christian School strives to provide a healthy and nutritious lunch option. A hot or cold lunch is available for each full day. Menus are sent home each month so that students may decide whether to purchase a lunch or bring a lunch from home. The board will set the price of a lunch each year and notify families in July/August. The school will not allow negative balances on lunch accounts.
- Students will communicate their lunch choice (hot/cold/lunch from home) to their teacher each morning.
- Milk/bottled water **is not** included with the cost of lunch. Milk/bottled water is optional. Because hundreds of children purchase a drink each day, students who wish to take milk or bottled water every day may

purchase a milk ticket for the year. If your child will only be purchasing a drink occasionally, you may purchase a 10-punch drink card for \$3.50. You may NOT purchase milk on a day-to-day basis; RCS only offers the two options listed above for drinks.

- When students have finished eating, they will be dismissed for recess. Students should refrain from taking food and drink outside the cafeteria.
- Parent volunteers are used daily in serving and cleanup for all three lunch periods. (See Volunteer form.)

## Spiritual Life

### Statement of Faith

RCS is an independent, non-denominational Christian school. Church doctrine is not taught; however, the truths of the Scriptures are intertwined throughout our curriculum. Our Statement of faith is included as part of the student application and the parent signature indicates agreement with our philosophy.

- We believe in the Scriptures of the Old and New Testaments as wholly inspired by God, inerrant in the original writings, and the final authority in faith and life.
- We believe in one God, Creator of all things, eternally existent in three persons, Father, Son and Holy Spirit.
- We believe in the deity and humanity of our Lord Jesus Christ, in His Virgin birth and sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His future personal and bodily return in power and glory.
- We believe that for salvation of the lost and sinful man, regeneration by the Holy Spirit is absolutely essential.
- We believe that all who receive by faith the Lord Jesus Christ are regenerated by the Holy Spirit, and thereby become the children of God.
- We believe in the bodily resurrection of both the saved and the lost; for those that are saved it is a resurrection into everlasting joy with Christ, and for those that are lost it is a resurrection into everlasting suffering.

- We believe that man was created in the image of God; that he sinned, and thereby incurred both physical death and spiritual death, which is separation from God; and that all human beings are born with a sinful nature and indeed sin in thought, word and deed.
- We believe in the spiritual unity of all believers in our Lord Jesus Christ.

## **Spiritual Expectations**

As a private Christian School, which integrates classroom academics and Christian commitment, the student's growth in faith is of the utmost importance at Rockford Christian Elementary. The student body worships together in our weekly chapels, where attendance is required. Students are expected to worship regularly with their parents in a local church of their choice. Rockford Christian Schools is in partnership with parents in the spiritual training of their children. Therefore, the school cannot accept sole responsibility for the Christian education of students, but rather shares that responsibility with the home and the local church. Because the study of God's Word is so vital to the Christian life, Bible is a required subject each year for students enrolled at Rockford Christian Elementary School.

As a private Christian academic institution, Rockford Christian places a high value on learning experiences for students. It is our desire to develop the God-given talents and abilities within each student to his/her highest potential, spiritually, academically, physically and socially. With this in mind students are expected to appreciate the opportunity to be part of our school by behaving well and responsibly in the classroom setting and on the school campus.

## **Chapel**

All RCS students are required to attend all chapels scheduled for their class. Chapel is an integral part of the curriculum. Attentive, courteous conduct that is honoring to the Lord should be displayed at all chapel services. Throughout the year different ministries and community individuals are invited to share at chapel. Parents are welcome to attend the weekly chapel service. Check the Monday newsletters for days and times.

## **Biblical Integration**

At RCS we believe the Bible is the infallible Word of God and therefore, the standard by which all values, as reflected in school programs, policies and traditions are measured. Bible classes are an integral part of our curriculum. In addition, biblical concepts are integrated into every other curricular area within the school. The Bible is the foundation and the strength of Rockford Christian School, which sets us apart from public and many private schools.

The content and instruction presented in our Bible classes encourages students to develop strong Christian character, offers them a vision for a life of service to Jesus Christ no matter what occupational pursuits they follow, and educates them in sound doctrine and a defined faith so they can give an answer to the hope that is within them.

In addition to Bible as a core subject, students will have learning experiences appropriate to their age levels. These experiences emphasize the concept of a loving heavenly Father, the creation of human beings in the image of God, the fall of humanity and the redemptive work of God's Son, Jesus, and the absolute trustworthiness of God's written Word, the Bible.

## **Standards of Student Conduct**

Understanding the purpose and mission of Rockford Christian School, we believe the Word of God provides insights for behavior and daily living. We believe that our lives will be enriched by the application of these truths in a consistent manner.

For health and safety reasons, the use or possession of tobacco, alcoholic beverages, illegal drugs, knives, guns or items that could cause a fire are prohibited.

For social, moral and spiritual development, the following code of conduct will be followed.

- Respect authority – Honor God, obey and respect the laws of our country, the standards of one’s parents and the expectations of the school and communities. (1 Peter 2:17)
- Courtesy will be extended in all relationships – student to student, student to staff, and staff to student. (Philippians 2:3-4)
- When an offense is committed, reconciliation will be sought in a biblical manner. (Matthew 5:23-24, 18:15-18)
- Profanity, vulgar or offensive speech is an insult to God and others and will not be tolerated. (Exodus 20:7,16)
- Demonstrate self-control – Be quick to listen, slow to speak, and slow to become angry. When you sin seek forgiveness and make amends. (James 1:9)
- Be honest and above reproach. Always speak the truth and avoid even the appearance of dishonesty. Refrain from stealing, lying, cheating and gambling. (Proverbs 8:7)
- Students will be selective in the areas of entertainment, music and reading material. (Philippians 4:8)

## Standardized Testing

- Stanford Achievement Tests (SAT) are administered in the spring for all children 1<sup>st</sup> – 5<sup>h</sup> grade, as well as the Otis-Lennon Student Ability Test for students in Kindergarten – 5<sup>th</sup> Grade.
- Perfect attendance during the week of testing is highly encouraged. There is not always time for make-up tests. Dates of the tests are published well in advance so that scheduled time away does not conflict with the testing.
- Achievement tests will be made up in case of illness only. Make up tests will be provided as follows:
  - One day: Make-up tests will be administered
  - Two – Three days: Only reading and math will be administered
  - Four Days: Make-up testing will not be administered

## Support

### Academic

#### Resource

We have state certified teaching staff to meet the educational needs of students with learning disabilities. We also are serviced by the Private and Parochial Division of Illinois District #205 for speech therapy and other specific needs that directly affect the learning process.

#### Enrichment

Rockford Christian School offers a rigorous academic program. All classroom teachers provide additional challenges and remediation for students who require them. Occasionally a student may need additional opportunities for growing academically. In these situations, we look to a pull out program for grades 1, 2, and 3 and a high ability group for grades 4 and 5 Explore classes.

Three factors are considered in determining eligibility for the advanced explore as well as the grades two and three pull out program. They are standardized test scores, classroom performance, and teacher recommendation. These three components make up a matrix for identification.

## **Student Counseling**

When students feel stress due to various social/emotional circumstances, it sometimes helps to talk with someone completely removed from his or her situation, rather than with parents or teachers. We have an onsite counselor and may recommend outside counseling if the need arises.

## **Teacher Request Policy**

RCS teachers understand the abilities, personalities, and needs of each student in his or her classroom, as well as the teaching style of the teachers at the next level. The following criteria is used as each class list is assembled: learning style of the student, teaching style of the teacher, classroom chemistry, gender ratio, ability levels, student personalities, and special needs. When a request from a parent is thrown into the mix, the proper balance of the above criteria is often hindered. **Therefore, requests for specific teachers for the next school year are not accepted.**

**The final decision of student placement rests with the administration and any parental concerns about placement should be made to the principal in writing no later than May 15<sup>th</sup>.**

## **Transportation**

We do not provide bus service, and we are not included with the Rockford Public School Bus Service.

## **Visitors**

### **Parents**

Unscheduled interruptions can be very disruptive to the classroom. Any deliveries for your child such as lunch, homework, medication, or messages should be made in the office and delivered by school staff at an appropriate time. If parents desire to visit their child's classroom, the following should be observed:

- Arrange with the teacher a time to visit the classroom. This should be a mutually agreed upon by the teacher and parent ahead of time.
- Parents must stop by the office to sign in and get a visitors badge.
- Plan to spend approximately one-half hour on a given visitation. This will allow one to more adequately observe the program and the child's response to his/her school experience.

## **Volunteers**

The relationship between staff and parents at RCS is very special. Every time there is a need for extra help, a parent will usually step in and help. We encourage parents to donate at least three hours of their time during the year in a volunteer capacity. Volunteer parents make such a difference in the life of a school, and serve as a wonderful example to their children. A volunteer sign-up sheet is mailed to all school families in the summer, listing various activities and/or areas where volunteer assistance is appreciated. It is helpful to school staff to have these on file as early as possible in the school year for reference when needed.

## **Wait Pool**

- An application with paid registration fee must be on file in order for a student to be officially placed in a waiting pool for any class that is already at capacity.
- It is the parent's responsibility to periodically check with the school for openings.

## **Withdrawal**

- Written notification must be submitted to the Director of Admissions when a child is withdrawn from RCS. Otherwise finance fees will continue to be added to the account for tuition payments in arrears.
- School records will be forwarded directly to the new school at the request of the new school when all tuition and fees have been paid in full.
- It is advisable for the parent to sign a release of information to ensure the records are being sent to the correct school.
