

Rockford Christian Elementary School

Summer Reading Program

“There is more treasure in books than in all the pirate’s loot on Treasure Island.”

SUMMER READING PROGRAM

Rockford Christian Elementary School is excited to announce our Summer Reading Program! This program was created to encourage students to read throughout the summer months. This is a great opportunity to read with your child and explore their interests through new book selections.

Kindergarten through Grade 3

For younger students, reading consistently throughout the summer months allows them to learn new vocabulary and broaden their perspectives. Regular reading is essential to maintain the reading advancements your child has made throughout the school year.

We encourage each Kindergarten through Grade 3 student to read at least 10 books during the summer. Students who are emergent readers may be read to by an adult. Parents can encourage their child to read by monitoring reading level selections and providing a variety of opportunities to read during the summer months.

Your child may turn in the attached reading record during the first week of school and receive a NO UNIFORM PASS from their teacher.

Happy Reading!

Grade 4

Summer is a perfect time to break out of your usual reading patterns and explore new interests, ideas and authors. Our fourth grade students will have an opportunity for reading exploration as they complete their summer reading requirement.

Students entering fourth grade are required to read at least one book of their choice over the summer. The selected book should be one the student has not previously read. Students will complete the attached form.

Your child may turn in the form during the first week of school and receive a NO UNIFORM PASS from their teacher.

We look forward to hearing about your summer activities and reading explorations!
